RESOLUTION NO. 184-2016

WHEREAS, 30,000 Americans across the country are killed every year as a result of gun violence – including 12,000 who are murdered – destroying families and communities in big cities and small towns; and

WHEREAS, as Mayors, we are duty-bound to do everything in our power to protect our residents, especially our children, from harm, and there is no greater threat to public safety than the threat of illegal guns;

NOW, THEREFORE, we resolve to work together to find innovative new ways to advance the following principles:

- Punish to the maximum extent of the law criminals who possess, use, and traffic in illegal guns.
- Target and hold accountable irresponsible gun dealers who break the law by knowingly selling guns to straw purchasers.
- Extend background check requirements to all gun sales, including the private sales that take place online and at gun shows.
- Oppose all federal efforts to restrict cities' right to access, use, and share trace data that is so essential to effective enforcement, or to interfere with the ability of the Bureau of Alcohol, Tobacco, Firearms and Explosives to combat illegal gun trafficking.
- Work to develop and use technologies that aid in the detection and tracing of illegal guns.
- Support all local state and federal legislation that targets illegal guns; coordinate legislative, enforcement, and litigation strategies; and share information and best practices.

BE IT FURTHER RESOLVED, that, I Anthony R. Suarez, Mayor of the Borough of Ridgefield, declare June 2<sup>nd</sup>, 2016, Gun Violence Awareness Day and encourage all residents to Wear Orange to honor the victims and survivors of gun violence.
